Paor. Woon, Bear Sir-My built hed for actural purels been becoming permanently gray, accompanied by a hershness which remotered the constant application of oil necessary to be dressing it. When i communiced aning your hair restorative, about two means ago, it was to that condition; and having continued its unitif within the has three weeks. It has turned to its mineral color, and assumed a leafure and softness greatly to be preferred to those produced by the application of oils or any other preparation. I have ever used, I remark it as an instangenable article for every indy's total to the contract of a hair restorably, or for the sharple purpose of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its parforming all that is claimed for it. Mills, ct. Synonies, 144 Third street. Cincinnati, One Preparacy 14th, 1654.

Prof. O. J. Wood, Dear Sir—As you are about to manufacture extonavely and vand yor recently discovered hair restoration.) will state for whomoscowers, that I have for several years been in the habit of using other hale restoratives, and that I find yours vastly superior to any other I know. It entirely cleanes the heart from dandras, and one months proper use will exiter any persons had not one months proper use will exiter any persons had not the original youthful solor and former, giving it a testiny, soft and givers appearance, and all this without disculoring the hands that apply it, or the dress on which it drops. I would the observation and it is use to every one desirous of lavving 2 fine color and texture of hair.
